Dear Commissioner:

In response to the Examiner's Action dated 12/26/02, please amend the above-identified application as follows:

**AMENDMENTS**

**In the claims:**

Please amend claim 1 as follows:

1. (Twice Amended) A muzzle brake for attachment to a firearm muzzle, said muzzle brake for dissipating a recoil force created by discharging said firearm, said muzzle brake comprising:  
a body having a first end adapted for attachment to said muzzle, an outer surface extending from said first end to a second end along a generally longitudinal axis, a central bore having a desired diameter extending through said body along said longitudinal axis, said body defining at least one first elongated opening positioned nearest to said first end as compared to any other
